

ECONOMIC DEVELOPMENT INITIATIVES TIMELINE

PRESENTED BY:
William V. Cuddy, Jr.

Great Recession

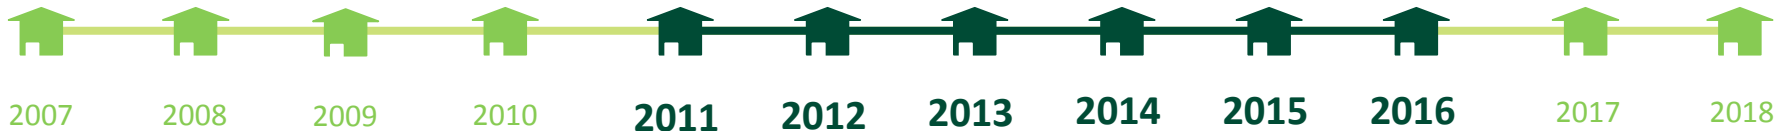

WCA initiates economic development initiatives known as the Blueprint for Westchester

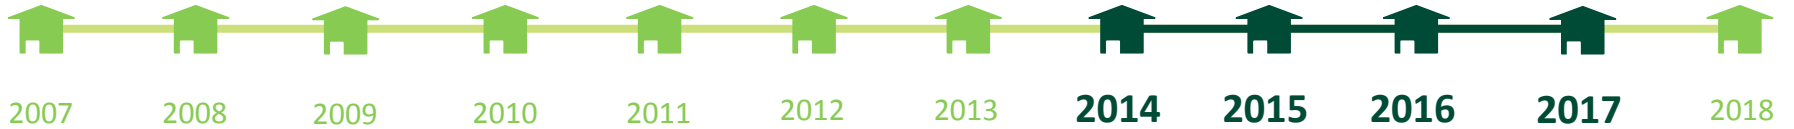

Blueprint priorities:

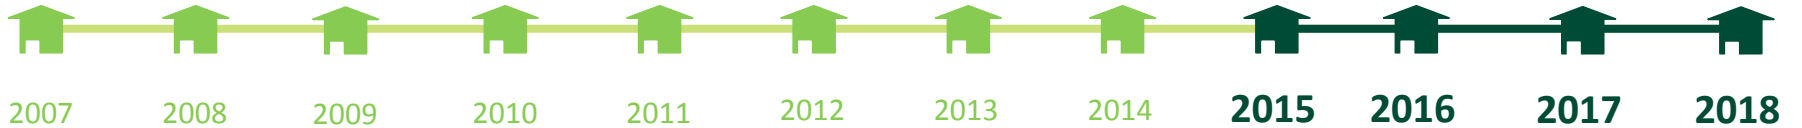

- Showcase events in White Plains, New Rochelle and Yonkers – Transit Oriented Development
- Re-purpose obsolete office inventory
- Promote of 'live-work-play' developments
- Enhance job training: MOU w/ 14 Colleges and Universities, Career Fair
- SEQRA reform
- Healthcare as key economic engine

WCA first ever Health Tech
Conference, held annually since

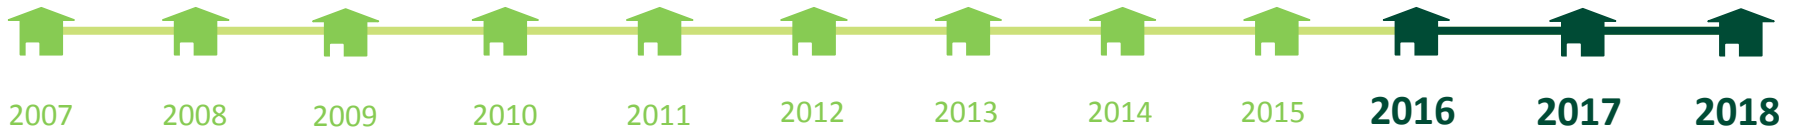

WCA takes lead role as Project Manager with the Westchester-Putnam Workforce Investment Board on “Ready to Work” grant; put 300+ people back to work to date

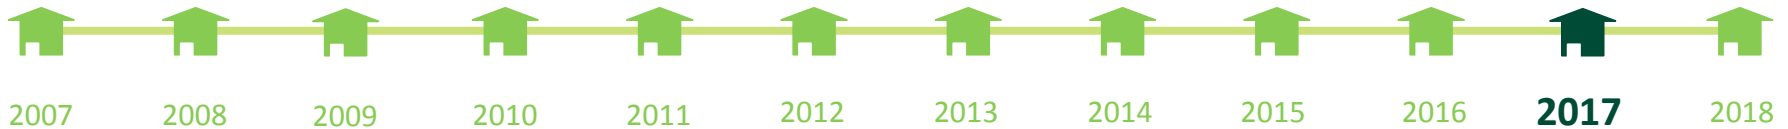

WCA refocuses economic development on “Smart Growth”:

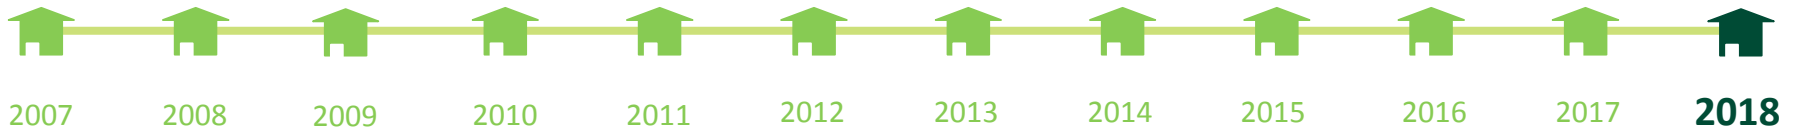

- Gigabit Westchester
- Housing & Real Estate Task Force
- Enhanced Healthcare Consortium.
- Hosted 1st Real Estate Conference “County of Tomorrow” presenting national best practices in Smart Growth, held annually since

WCA and Pace University's Land Use Law Center form joint venture to address public policy and regulatory issues in land use planning and development

WCA and Pace release first chapter of Policy Playbook and recognize extraordinary municipal achievements
